

Worcestershire Parent And Carers' Community **Children's and Young People's Complaints & Compliments Form**

At the WPCC we want everyone to enjoy our activities and events and we want everyone to be involved in what we plan and do. It is very important that we listen to children and young people when delivering our service. This form is to help children and young people express their views on the WPCC and the work we do.

We have a panel of young people who will review these forms every month and discuss them with the WPCC Coordinator and/or Trustees.

If you have something to say, we want to hear it! If you need a grown up to help you complete this form that's ok too. You can use this form to make a complaint or comment or you can use it to pay us a compliment.

If you tell someone you are not happy and want something changed, this is a **COMPLAINT**.

If you say how things could improve, this is a **COMMENT**.

If you tell someone you are happy and things are good, this is a **COMPLIMENT**.

Your Name _____

Someone is completing this form on my behalf

What would you like to tell us? _____

What would you like to happen? _____
